Brought to you by the City of Troy & the Troy/Maryville/St. Jacob/Marine Chamber of Commerce

Trash Containers

Containers should be located either inside the garage of a dwelling house or out of site in containers protected from the weather elements and animals, except on collection days, when said sanitary containers may be placed near the platted streets for collection.

If you would like to consider an alternative for storing your trash containers outside, search for plastic garbage enclosures online.

HOA Power Washer for Use

If you would like to sign out the power washer for the day, contact one of the board members listed on the website. Go to the 'Equip Rental' tab on the website

<https://www.fairoaksonline.org/> to print and fill out the Equipment Use Agreement. Call to schedule in advance so that the power washer is available for when you want to use it.

If any homeowners would like to update their current e-mail please contact the board at fairoaksassn@gmail.com. The Board would like to keep the most updated contact information for all homeowners to share important information. Thank you for your support!!!
